

ClearCase® Administration

WINDOWS ■ BASE CLEARCASE ■ DYNAMIC VIEWS

ID: CC-ADM-WIN-DYN-BASE

Overview

Recommended follow-on to the *ClearCase Advanced* course for individuals responsible for installing and administering the ClearCase environment.

Prerequisites

- *ClearCase Fundamentals* course or equivalent ClearCase experience
- The ability to create VOBs and views

Objectives

At the end of this course, students will be able to use ClearCase commands and procedures to complete typical administrative processes. Students will be able to perform the following:

- Installation and upgrades
- Backup and restore
- Move ClearCase databases
- Maintain the integrity of the ClearCase database
- Troubleshooting

Outline
