

IBM Jazz Reporting Service Fundamentals

WEB INTERFACE ■ JAZZ VERSION 6.0.1

ID: JRS-FUN-WEB-6

Overview

This half-day, hands-on class covers running, creating, sharing, and exporting reports using Jazz Reporting Service.

Audience

- Project leads and power users responsible for creating new reports.

Prerequisites

- No previous Jazz tool experience required, but working knowledge of RTC collaboration is helpful.

Objectives

At the end of this course, students will be able to author, share, and export JRS reports.

Outline
