

# Rational Team Concert™ Project Management

WEB INTERFACE ■ RTC VERSION 6.0.1

ID: RTC-PRJ-WEB-6

## Overview

This one-day, hands-on class covers Rational Team Concert full function plans, project setup and configuration.

## Audience

For project managers, we recommend this class as a follow-on to Island Training's *RTC Team Collaboration* class.

## Prerequisites

- Island Training's *RTC Team Collaboration* class or equivalent experience.

## Objectives

At the end of this course, students will be able to use and configure Team Concert full function plans, as well as create and configure projects, teams, timelines, and work item categories.

## Outline

RTC Project Management Intro	Overview of RTC project management and plans
Log on to RTC	Log on to RTC user pages
Plans Overview	Introduction to team plans
Plan Basics	Basic operations for viewing and working with plans
Product Backlog Plan	Plan views and operations used to manage a product backlog
Release Backlog Plan	Plan views and operations used to manage a release backlog
Sprint Plan	Plan views and operations used to plan, execute, and track a sprint
Format Plan	Customize and format plan views
Agile Plans Review	Process items from backlogs through a simulated sprint to completion
Project Area Overview	Introduction to creating project areas, teams, timelines, and plans
Create Project	Create project area; add project members; assign roles
Timelines and Iterations	Create project timelines and iterations
Roles and Permissions	Create member roles; set permissions for roles
Create Teams	Create teams; add team members; assign roles
Categories	Create and associate work item categories
Create Plans	Create and configure plans
Best Practices	Best practices for timelines, teams, categories, and plans
Plan Reports	Plan notes, snapshots, and Burndown report
Plan Views	Promote custom plan views to all users (Eclipse interface only)
Common Plan Customizations	Estimate settings and work environment defaults
Create Work Item Template	Create templates from one or more work items
Report Basics	Create, configure, export, and share reports

Contact us to choose appropriate modules for your workgroup from our library of over 1000 topics.
